“

EXTRANA CABLES prides itself on quality excellence and efficient cable solutions.”

ABOUT US

With more than 20 years of experience, PT. Prima Indah Lestari has managed to position itself as one of the key cable manufacturers in Indonesia, providing cables for PT. Perusahaan Listrik Negara (Persero), Indonesia's national energy provider.

Through a continuous pursuit for quality excellence, PT. Prima Indah Lestari has been trusted with large-scale government projects, collaborating with Indonesia's infrastructure development organizations, PT. Jasa Marga (Persero) Tbk, PT. Industri Telekomunikasi Indonesia and PT. Kereta Api Indonesia.

Certified by National Standardization Agency of Indonesia with quality assurance certificates like Standar Nasional Indonesia (SNI) and Standar Perusahaan Listrik Negara (SPLN), PT. Prima Indah Lestari also partners with luxurious, residential and commercial developers such as Agung Sedayu Group, Citra Raya, PT. Modernland Realty and Paramount Serpong.

PT. Prima Indah Lestari prides itself on providing high quality cable solutions for nationwide electricity distribution for the needs of industry, construction and underground cabling of electricity supply networks.

“

TOP CHOICE FOR
ELECTRICAL CABLE
MANUFACTURING IN
INDONESIA ”

VISION

Become the top choice for electrical cable manufacturing in Indonesia.

MISSION

1. Increase market share and profitability amongst the cable industry in Indonesia.
2. Achieve productivity excellence and operational capability.
3. Build lasting partnerships with our clients through an emphasis on quality excellence and efficient cable solutions.

SN Certificate for **N2XSEYBY** issued by PLN Certification Body (Jaser)

SN Certificate for **NA2XSY** issued by PLN Certification Body (Jaser)

SN Certificate for **NA2XSEYBY** issued by PLN Certification Body (Jaser)

SN CERTIFICATES FOR LOW VOLTAGE CABLES

SN Certificate for **NYA** issued by PLN Certification Body (Jaser)

SN Certificate for **NYAF** issued by PLN Certification Body (Jaser)

SN Certificate for **NYMHY** issued by PLN Certification Body (Jaser)

SN Certificate for **NYY** issued by PLN Certification Body (Jaser)

SN Certificate for **NYFGbY** issued by PLN Certification Body (Jaser)

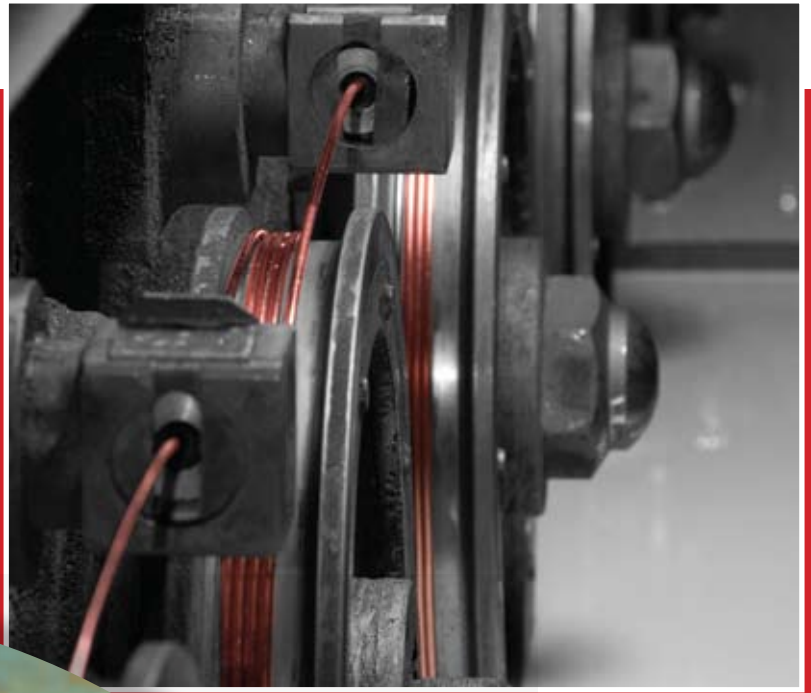

QUALITYSYSTEM
ISO 9001:2008
KAN CERTIFIED

At PT. Prima Indah Lestari, quality assurance and production quality is our utmost priority. Extrana Cables adhere to the quality standards of SN and SPLN and therefore have a quality control agreement with PLN (Persero)-LMK for low to medium-voltage cables.

PT. Prima Indah Lestari is also awarded with ISO 9001:2008. This is awarded only to organizations that implement the highest standards of quality and management systems.

OUR PRODUCTION FACILITIES

“

CUSTOMIZED SOLUTIONS,
PRECISION, SATISFACTION.”

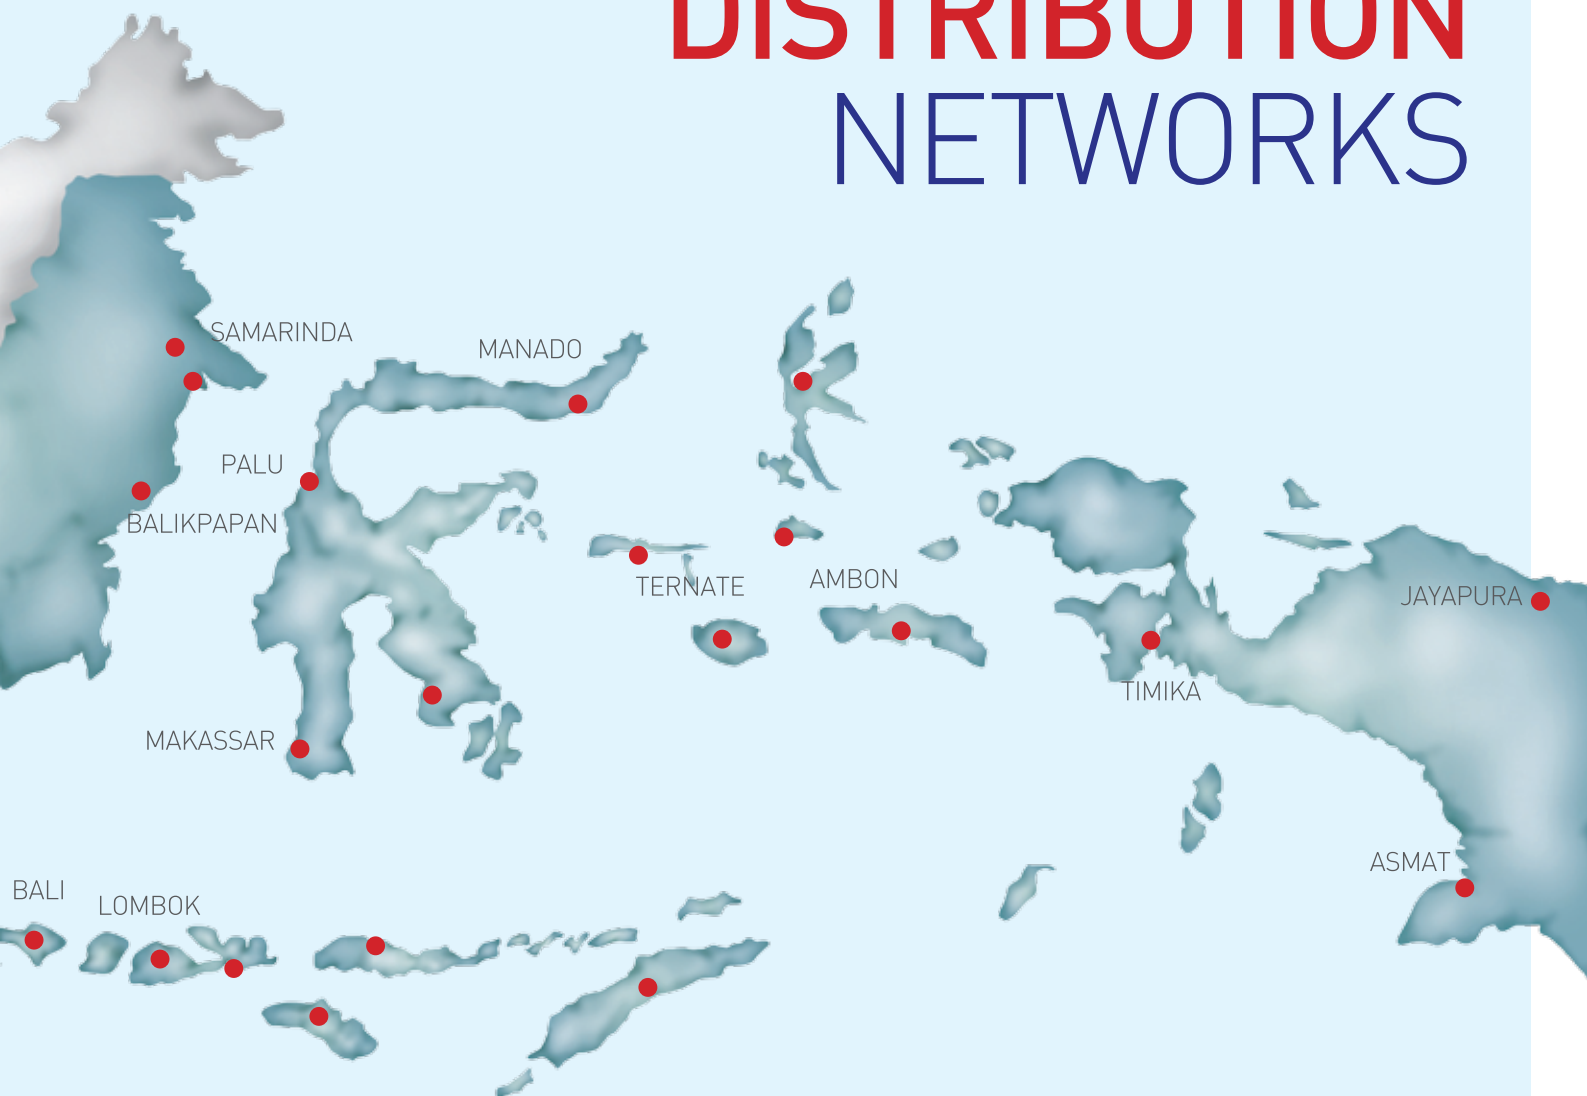

To meet increasing demands of production, PT. Prima Indah Lestari has continually equipped itself with the most efficient and updated machineries. Our stringent production team ensures that machines and equipment are maintained regularly so as to achieve the best possible production output to match demands.

“

OUR CABLES ARE DISTRIBUTED
ALL OVER INDONESIA”

DISTRIBUTION NETWORKS

PRODUCT RANGE

FIRE RESISTANT INSULATED CABLES

PT. Prima Indah Lestari produces power cables and conductors for transmission lines ranging from low-voltage up to 30kV medium-voltage.

We have also recently launched our new product--fire-resistant insulated cables, which allow fire resistance up to 700 degrees celcius in a fire situation.

MEDIUM VOLTAGE

LOW VOLTAGE

PRODUCT RANGE

We make a wide range of cable products which can be classified as :

<p>FIRE RESISTANT INSULATED CABLES</p> <p>FRC-PVC FRC-LSFH</p>	<p>LOW VOLTAGE CABLES</p> <p>NYA, NYAF, NYM, NYY, NYFGbY, NYM HY, NYY HY NAYY, N2XY NA2XY, NYRGbY</p>	<p>LOW VOLTAGE OVERHEAD CABLES</p> <p>NFA2X, NFA2X-T NAYfGby</p>	<p>OVERHEAD CONDUCTORS</p> <p>AAAC, AAACS, ACSR</p>	<p>MEDIUM VOLTAGE CABLES</p> <p>NA2XSEYBY, NA2XSY, NA2XSEYFGbY, N2XSEYBY, N2XSY, N2XSEYFGbY, NFA2XSY-T</p>	<p>CONTROL CABLES</p> <p>NYCY, NYSY</p>
